A Quarterly Insight into Keeping Woodland Park Beautiful

# kwpb on location

## KWPB About Town

### PAINT THE RAILS PROJECT

Scenic, sun-lit Saturday morning...with just paint, supplies and amp-readied Keep Woodland Park Beautiful members who love their town and are committed to keeping it beautiful! That was the scene of the second PAINTING OF THE RAILS in early September. The green rail, which leads to the pedestrian underpass at Highway 24 near Natural Grocers is visible to all eastbound travelers through Woodland Park. This marks the group's second coat of paint planned to hold up until the disheveled railing are replaced by the city in the future. The group rolled up their sleeves and enjoyed swapping stories with City Manager, Darrin Tangeman whose 'skin in the game' was not only greatly appreciated but the group hopes a new railing becomes an item of significant importance on the city's radar in the near future.

## Creating Curb Appeal

*Making a good first impression  
is great inspiration to others!*

*Keep Woodland Park Beautiful implemented a reward program in 2016 highlighting area homes and yards that enhance the community through landscaping, property management and decorative painting.*

Besides the thanks and recognition on the KWPB website and their newsletter Foxworth Galbraith partnered with KWPB awarding a 25% discount

coupon on a purchase of any size to further inspire home residents to continue improvements and enhancements to their property, street scapes and exteriors. Committee members about

town who recognize the efforts put forth in landscaping, street scaping and decorative or maintainance to home exteriors are excited to stop by and visit with home owners or renters, snap a few photos for publicity and award them with a 25% coupon from Foxworth Galbrith.

The members agree it is one of the more gratifying things they get to do in town and as members of the Keep Woodland Park Beautiful committee.

As the Indian summer comes to a close and the trowels, rakes and fertilizers are put away for winter, remember to make your list now for next spring's DO'S & DON'TS to embellish your house and yard spring and summer months.

Well maintained landscaping and decorative painting will help spruce up a home's community and economic value.

*who doesn't appreciate seeing a beautiful property?*

*It is a blessing to everyone!*

# A SPOT IS BORN

By Susy Branham

Every time I pass by the Adopt-A-Spot ear Memorial Park on Lake Avenue, I smile. "In Memory of THE OLD DOG" it reads. Most of us can relate to that. So when the opportunity to **Adopt-A-Spot** of my own came around, I chose my street, north and south Chippewa Trail. I wanted a clever name to put on my sign. At first I thought of "Edmund Fitzgerald", but I wasn't sure enough people would get the joke

and I didn't want to risk some intellectual property fight with an elderly Gordon Lightfoot anyway. Elton John seemed a more universal place to land so I'm going with "Susy and the Pets"

Perhaps that will make others smile the way, "THE OLD DOG" makes me smile - I hope so. There are plenty more **Adopt-A-Spots** available, it doesn't cost you anything. The only thing the city asks is that you cleanup your spot at

least twice each year. You'll get that personalized sign and your own grabber to make the job easier. But most of all you'll feel great knowing you are doing your part to Keep Woodland Park Beautiful! Now, the only question is:

***What will you put on your sign?***

## Combining Forces>>>

# Downtown Mini-Clean-Up

More than 20 local volunteers arrived early and readied to clean and beautify the downtown area on May 24, 2019. This was a highly successful cooperative effort by numerous individuals, including members of Keep Woodland Park Beautiful, the Main Street Program, the Downtown Development Authority, and the City of Woodland Park.

## On Location!

*Focusing on Woodland Park's downtown "Main Street" corridor, an energetic group of volunteers gathered to deep clean the winter weathered streets and buildings and welcome the summer season of anticipated tourists and guests to Woodland Park.*

Good clean fun and community love unite various groups partnering to make Woodland Park look extra beautiful this summer.

**Way to Go Troops!**
